

Zoom Mac Screen Sharing

Dave Taenzer - March 2020

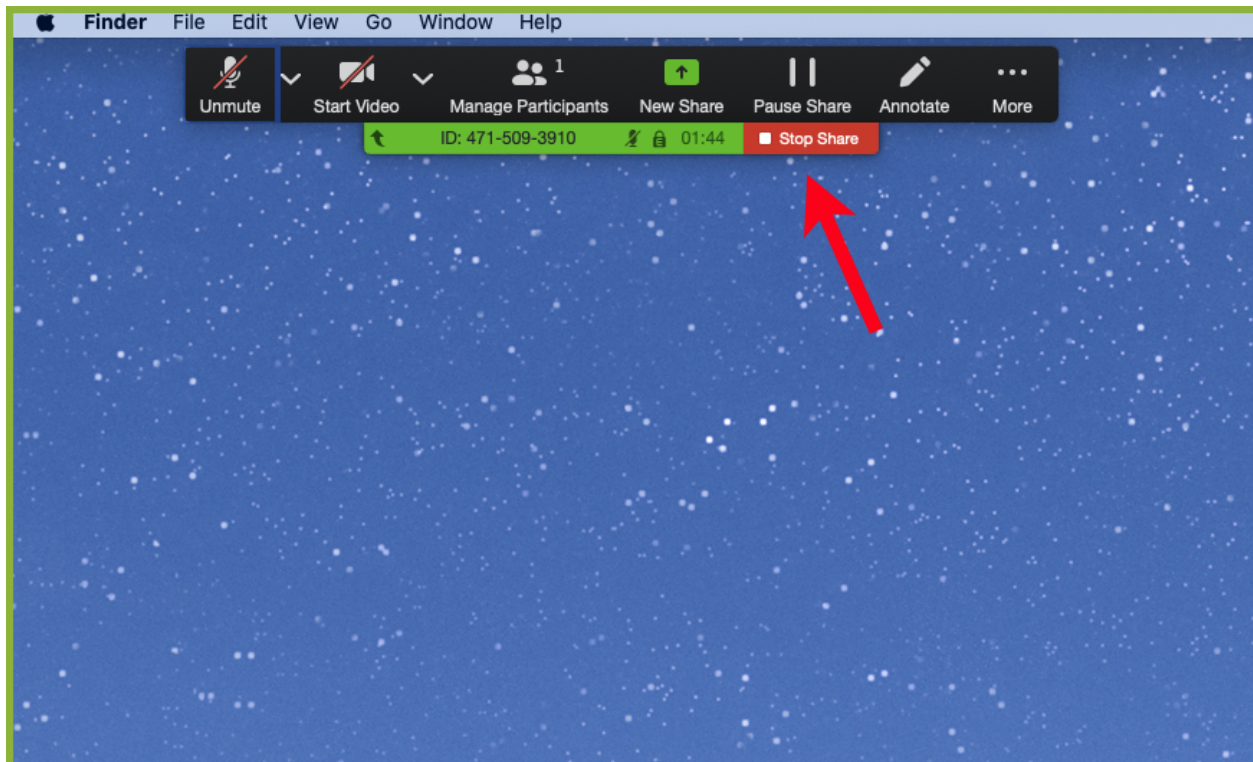

This document explains how to share your screen from a Mac screen when you are in a Zoom conference.

When you are in a Zoom meeting and touch the screen you will see some buttons appear at the bottom. When you click the Share Screen (green) button on the bottom of the window, you will see something like this:

Make sure Desktop is selected and click the blue Share button

You will see something like this:

Click the red Stop Share button to stop screen sharing
